DAILY PAY

RESIDUAL INCOME

Daily Pay is based on Business Volume (BV) in your two sales teams. Business Volume comes from the retail sales of Silver Membership (35 BV), Titanium Membership (50 BV), and Platinum Membership (80 BV).

Volume is calculated daily and paid weekly. Daily Pay is based on a binary structure where you are paid equally on the lesser volume of your two sales teams.

- Must have a personal active Partner + Membership in each leg.
- Calculated daily and paid weekly.

- Starting at Presidential Ambassador and above, three separate legs with required BV in each leg are required to earn Daily Pay at these ranks.
- 50% of the business volume must come from your enroller tree.

PAY PERIODS	Monday 12:00 AM through Sunday 11:59 PM.

LIFESTYLE BONUS	Paid the following month on the 15th.
E-WALLET	Commissions are released to your e-wallet in the back office. Enough funds are held back to cover your next month's membership fee. Partners with customer accounts must maintain their next membership payment in their e-wallet.

WITHDRAWAL REQUESTS	Requests submitted by Wednesday are processed on Friday of the same week.
DAILY PAY WITH 2 SALES TEAMS	Daily payouts with two sales teams build up to the rank of 5 Star Ambassador. A 50% volume rule applies. Only 50% of each sales team's required business volume can be used to qualify for rank.
INACTIVE	After 90 days from last payment, your account will be terminated and all benefits from any sales team will be permanently forfeited.
MAXIMUM COMMISSIONS	If the max payout is reached, commissions will be curved to meet the 62.5% of BV max pay-out rule.
PARTNER	Can market Customer Memberships and participate in the compensation plan.
LOYALTY POINTS	Any Loyalty points that are awarded expire after 12 months from the date they are issued.

PARTNER CANCELS MEMBERSHIP	If a Partner cancels their Membership but keeps their Partner License active, they move to Partner Only status, leave the binary, and can only earn from Direct Sales. They must wait 6 months from the last membership payment before they can become active in the binary compensation plan again.
PERSONAL ENROLLER TREE VOLUME	Business volume that comes from your personally sponsored partners and their customers downline.
TWO STAR DIRECTOR RING	Once you have received your first 2 Star Director Bonus, an email will be sent with information on receiving your Two Star Director Ring.

10 — STRUCTURE

Placement, Compression & Chargebacks

PLACEMENT

- The plan starts as a two-sales-team structure. Two teams are required through 6 Star Ambassador. Presidential Ambassador and above require a third sales team.
- The Waiting Room allows a personally sponsored person to be held for up to 7 days (the day you sponsor them is day 1). Anyone not placed in that window is auto-placed. All placements are final.

- A partner can only maintain 1 position.
- Customer volume does not reflect until after 14 days, and will reflect in the weak leg of genealogy, unless the customer upgrades to a partner.
- Day 15 and beyond: \$99.95 partnership fee + \$99.95 placement fee, requiring an invoice to be issued and manual placement.

CHARGEBACKS

When a partner receives an advanced commission on any sale, they are subject to a chargeback of any unearned commissions if the transaction is refunded or disputed. Chargebacks are deducted from future commission checks until relieved. Bonuses received by partners are subject to a 100% chargeback due to fraudulent business or unethical activity.

CANCELLATION

Cancel from your Back Office at any time. Within 14 days of enrollment you can request a refund in the Back Office; it may take up to 10 days to process. Ongoing subscriptions are cancelled the same way. Because of the nature of the digital product and commission structure, the 14-day refund window is strictly enforced.

MEMBERSHIP LIFECYCLE

Please review the following account status policies regarding non-payment, reactivation, and restoration:

- **Membership Inactive Status (Day 1–60):** If an auto-ship payment declines, the account becomes inactive. You have up to 60 days to reactivate by making a standard membership payment in the Back Office. Your binary placement and travel points will remain protected during this period.
- **Membership Canceled Status (Days 61–90):** To reinstate a canceled membership, as well as your original binary placement and travel points, you must pay a one-time restoration fee plus the current monthly membership fee through the Back Office. The restoration fees are \$260 for Platinum members and \$140 for Titanium members.
- **Permanent Closure (After Day 91):** If payment is not received by Day 91, the account will be permanently closed. Following closure, you must wait six (6) full months before re-enrolling as a new member.

Please note that the restoration policy is a one-time offer and may only be used once during the lifetime of an account.
