GETTING STARTED SYSTEM | 10 Steps to Success in Your First 30 Days

S.Y.S.T.E.M. — Save Yourself Stress, Time, Energy, and Money. Follow these 10 proven steps exactly as designed. Be **Coachable, Teachable, and Learnable**. Trust the system and it will work for you.

✓	Step	Title & Description
■	1	Determine Your Why — Your Purpose Dig deep and find the reason that drives you. Your why must be so powerful it wakes you up at 3 AM. Write it down, say it out loud, and share it with your upline leader.
■	2	Set Your Goals Use the SMART framework and Dr. Edwin Locke’s 6-Point System to set clear, written goals with deadlines. Priority #1: Get your 3 for FREE and become a Platinum Director.
■	3	Be Committed Commit to 4 daily actions: Contact 5 people per day, follow up immediately, lose the fear, and enroll & activate your first 3 members. This is an 11.5 trillion-dollar industry — show up daily.
■	4	Build Your List & Get Your 3 for FREE Write down at least 50 names and categorize them: Reds (open & ready), Greens (interested but skeptical), Blues (not ready). Your first 3 referrals makes your membership FREE and promote you to Platinum Director and start earning daily residual pay of \$4.45/day.
■	5	Contact and Invite — Pique Interest Prospect like a pro — phone calls and face-to-face, not text blasts. Use the piquing interest script: “I’ve discovered a way to...” and ask, “Are you open to taking a look?” Some Will, Some Won’t, So What, NEXT.
■	6	Plug into All Weekly Opportunity Zooms Join the weekly Opportunity Zooms every Monday–Friday (multiple languages) plus Saturday trainings. R&D; — Rip Off and Duplicate what top Ambassadors are doing. The Zoom you miss is the Zoom you needed. Always invite guests.
■	7	Launch Your Travorium Business Schedule your first Launch Party (Home or Zoom) within 5–7 days. Your team leader will present for you. Aim for at least 3 Grand Openings in your first 30 days. A launch creates urgency and momentum.
■	8	Register for & Attend the Next Travorium International Event Register in your back office for the Early Bird Special. Events are held twice a year (February & August). A powerful two-day experience to connect, learn from Ambassadors, and get promoted on stage.
■	9	Become Familiar with Your Website & Back Office Log in daily at www.travorium.com/ID , verify your identity, complete the Welcome Series, and explore every menu tab. Your back office is your business command center — know it inside and out.
■	10	R&D; — Rip Off and Duplicate the System Follow the system exactly as designed. Don’t reinvent it. Be Coachable, Teachable, and Learnable. Teach this same 10-step system to every new partner. Duplication is how we create 100 Ambassadors.

Pro-tip: Get familiar with your Back Office, navigate through it daily, click on all the features.
